

WILDLIFE CONSERVATION SOCIETY OF TANZANIA
APPLICATION FOR MEMBERSHIP OR RENEWAL

The Wildlife Conservation Society of Tanzania (WCST) is an independent, membership and non-profit making organization. Its main objective is to assist the government of Tanzania in conserving flora, fauna and the environment within Tanzania.

The state of global environment is deteriorating day after day; for instance the average annual deforestation in Tanzania is 400,000 ha! Your Support to conservation is important to reverse this situation.

As a member you will receive a free WCST newsletter 'MIOMBO' twice a year, you will have access to valuable environment-related literature in the Society's Library plus other benefits. Active Students are sometimes taken to Wildlife educational areas. They also participate in WCST organized competitions. **Please join now!**

ANNUAL MEMBERSHIP FEE EFFECTIVE JANUARY		Membership no.
PLEASE TICK THE BOX OPPOSITE YOUR CHOICE		Payment made by:
Student Member	Tshs. 500 <input type="checkbox"/>	<input type="checkbox"/> Cheque
